The Class of 1967 would like to salute George P. Schreiber for his great courage and ability to overcome one of life's greatest obstacles. His inspiration will remain with us for a long time, and we honor him now for being with us as a member of the 1967 Class of Bethany College.

The Class of 1967 Proudly Dedicates This Bethanian to Dr. Carl L. Schweinfurth

Dr. Schweinfurth has been with Bethany College for fewer years than has the class of 1967 and yet he has earned the respect and praise of us all. As a counselor he has always been ready to put the needs of the students first. No problem is too great or too small to merit Dr. Schweinfurth's earnest concern. As a professor, he has been a true liberal arts educator stimulating his students with the desire to learn much more than only that which is taught in the classroom. As a foreign student advisor, advisor to the International Relations Club, Delta Tau Delta Fraternity, Phi Alpha Theta National history fraternity, and many other campus and outside organizations, he has distinguished himself and in doing so, Bethany College. For Dr. Schweinfurth as well as the class of 1967, we feel that this graduation is not an ending of his inspiring influence, but a commencement.

Basketball Team Wins P.A.C. Again

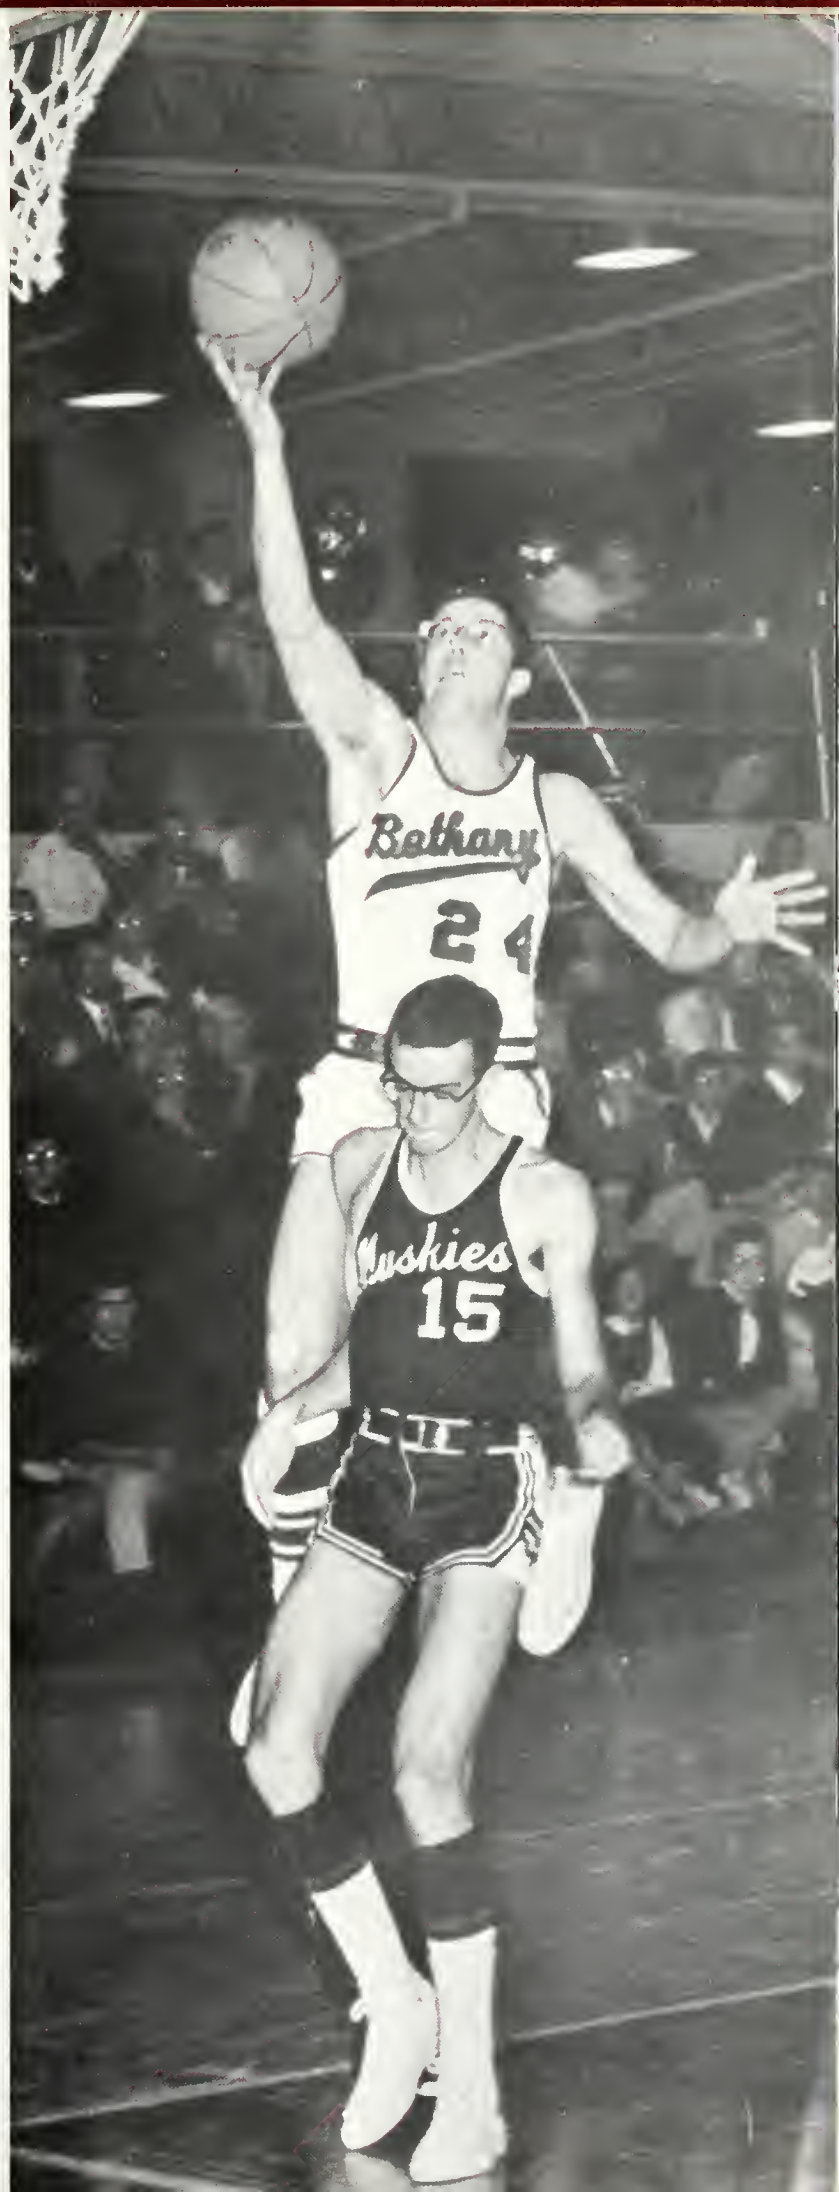

The basketball Bisons, in their first year under coach Thomas L. Ackerman, have won their second consecutive PAC title and their fourth championship in six years.

The season went to the wire as Bethany defeated John Carroll University in the final game, 108-89, at the alumni field house.

The Green and White started the season with a six-game winning streak enroute to a 13-5 overall record and a conference mark of 10 and 2. This was the Bisons eighth straight winning season dating back to 1958 when they joined the PAC.

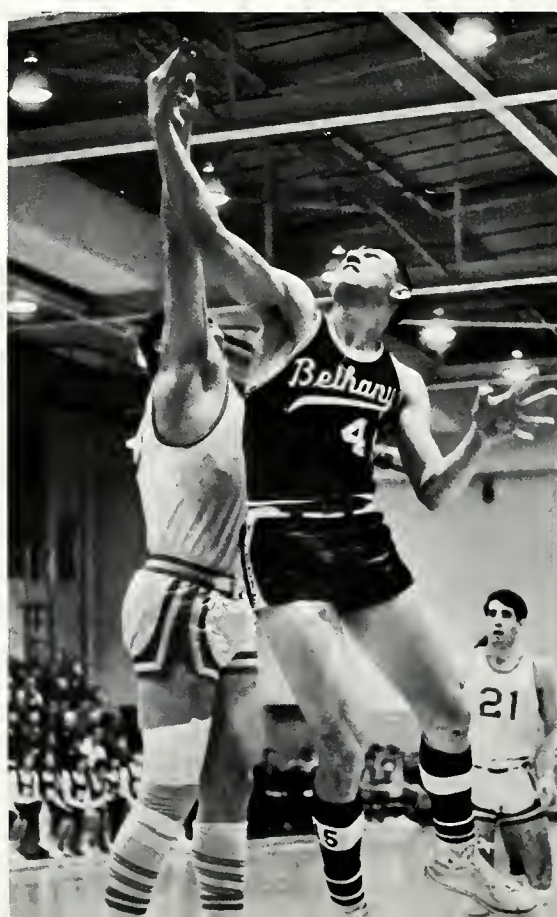

Coach Ackerman looks forward to next year, because he will have his entire team returning. Six juniors, three sophomores, and four freshmen made up this year's squad.

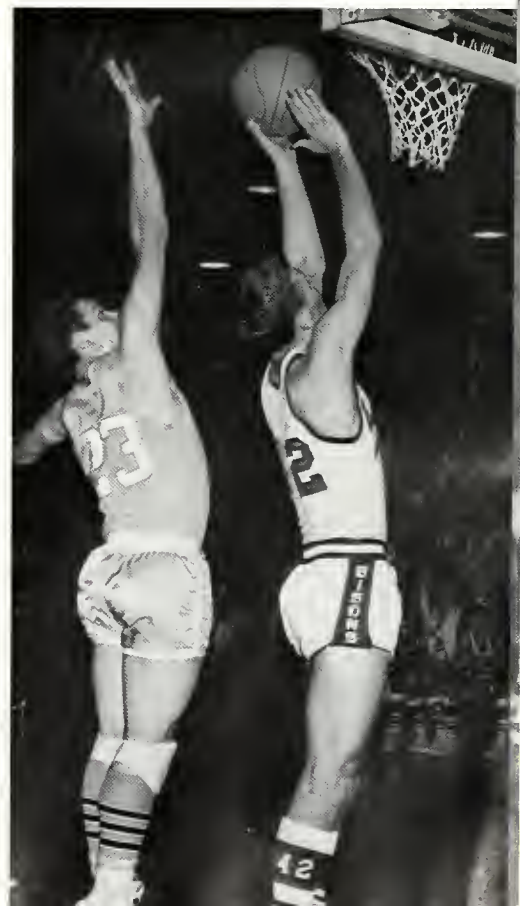

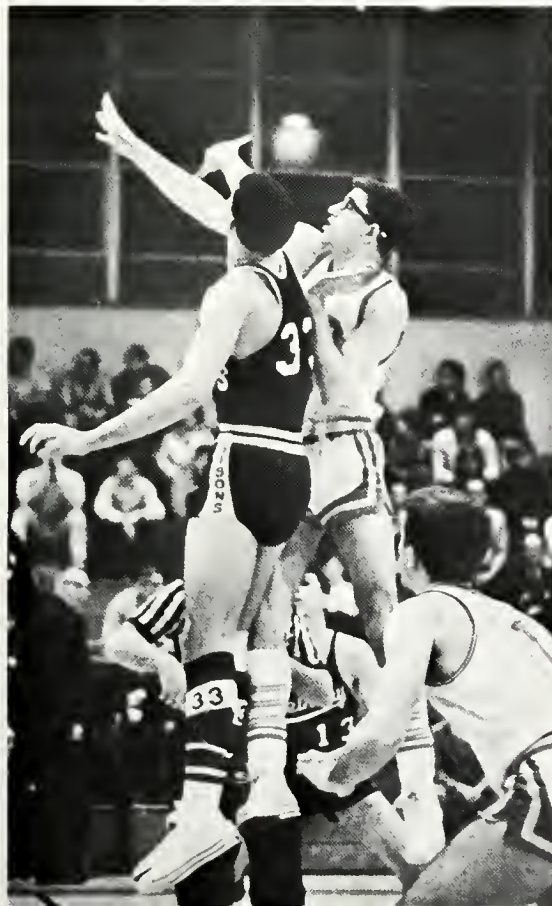

Bob Patterson and Mike Nevitt were selected for the all-PAC team this year.
